

SEVEN STEPS TO WRITING SUCCESS

*“The **Seven Steps** is a unique system that chunks writing into seven main techniques.” [Seven Steps to Writing Success - Teacher Training & Writing Resources](#)*

Implementation to take place Semester 2, 2015 (Year 7) – Students will be exposed to the Seven Steps to Writing Success program in English and Literacy lessons during Semester 2. This fits with the schools Action Research Project being undertaken by the Master Teacher. Research documents are available via the link in the references.

The Seven Steps Goals:

- Teach writing step by step
- Lots of group work – verbal and interactive
- Brainstorm first – write second
- Five minute writing – not whole stories

Seven Steps to Writing Success

1. Plan for success
2. Sizzling starts
3. Tightening tension
4. Dynamic dialogue
5. Show, Don't tell
6. Ban the boring bits
7. Exciting Endings
